

EROJET является производителем режущего инструмента для изготовления резьбы и канавок.

EROJET изготавливает режущие пластины высокого качества и в то же время предлагает своевременную доставку и отличное обслуживание партнёров. В дополнение к нашей обширной линии стандартных инструментов, мы также производим широкий спектр специальных инструментов по желанию заказчика.

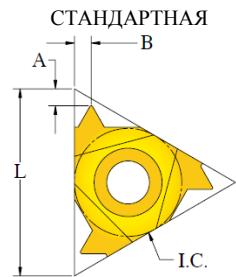

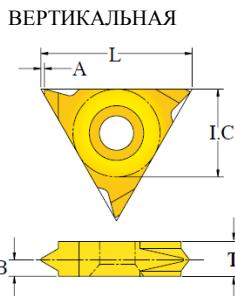

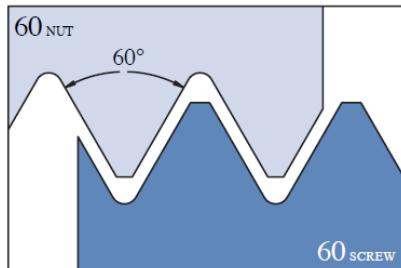

Компания сертифицирована в соответствии с ISO 9001: 2000.
